EAF LLC Quantitative Strategic Analysis

Most strategic experts (including Porter and Magretta) argue that a differentiated position is necessary to achieve sustainable, above average results, which I define as the criteria of success. In my approach, I incorporate differentiation into the analysis of critical alignment factors to build a complete metric.

Quantitative analyst Wikipedia

An MV quantitative analyst would typically earn a fraction of quantitative analysts in other groups with similar length of experience. In the years following the crisis, this has changed. Regulators now typically talk directly to the quants in the middle office such as the model validators, and since profits highly depend on the regulatory infrastructure, model validation has gained in weight and importance with respect to the quants in the front office.
